Sir:

**SUBSTANCE OF INTERVIEW**

The Applicant thanks Examiner Jain for conducting a telephonic interview on February 12, 2007 with Applicant's attorney, James Blanchette. As noted in the Examiner's Interview Summary (PTOL-413), mailed Mar. 13, 2007, claims 6, 11, 16, 17, 21, 22, 24, 26, 27, and 29 were discussed. To expedite allowance of the case, the Applicant authorized amendment to these claims, in most instances to include reference to placing contents of

fragment packet descriptors into a packet descriptor. The Examiner's amendment of Feb. 27, 2006 reflects the exact agreed upon claim changes. In the Interview the Examiner indicated a notice of allowance would be issued, and such a notice of Allowance was issued on Feb. 27, 2006.

Please charge any additional fee occasioned by this paper to our Deposit Account No. 03-1237.

Respectfully submitted,
